

## Prior Authorization Form

### What is Maryland BankPAC?

Maryland BankPAC is a statewide nonpartisan, nonprofit political action committee organized by the members of the Maryland Bankers Association. Through contributions to candidates whose views are favorable to banking and a free and competitive marketplace, BankPAC supports the campaigns of federal, state and local candidates.

### Maryland BankPAC is a Great Way to Participate!

Maryland BankPAC is a great way for you to participate in the political process in a consistent and positive manner on behalf of the state's banking industry. By pooling financial contributions from bankers all across the state, Maryland BankPAC speaks with a stronger, more united voice.

### What Do I Need to Do?

Maryland BankPAC needs your signature(s) below to authorize fundraising among your eligible bank officers, directors and employees. To eliminate having to fill out the form on a yearly basis, you may authorize a solicitation campaign within your bank for the next five years by placing your signature next to the year(s) you wish to designate your approval. Please note that your bank may only provide such authorization to one trade association per calendar year.

### When Will the Campaign/Solicitation Take Place?

After Maryland BankPAC receives your signed prior authorization form, you will receive solicitation materials to assist you in conducting a successful campaign. **Maryland BankPAC will not solicit your employees directly.**

☐ **Yes, I authorize Maryland BankPAC to conduct a solicitation campaign among my bank's executives, professional and administrative personnel during the year(s) which I approve. I understand that Maryland BankPAC will not contact my employees directly, but will send me solicitation materials to conduct a campaign in my bank.** This form can only be signed by a corporate employee authorized to provide solicitation approval and may only be signed for one trade association per calendar year. Granting prior authorization to Maryland BankPAC does not preclude employees of the company from contributing to other PACs. This authorization does not obligate you or anyone in your company to make a contribution. Permission may be withdrawn at any time.
